Creative floor images in 3 steps!

STYLEMAKER® — START NOW!

1

**OPEN THE APP AND SELECT
YOUR MOTIF – PLACE IT IN
THE AREA AND COMBINE IT
FLEXIBLY WITH OTHERS.**

Choose from a great selection of motifs! The Stylemaker® supports creativity. Users can shift, discard or save these motifs. Nothing is lost.

2

**CUSTOMISE MOTIFS –
CHANGE SIZES, PLAY WITH
COLOURS AND ZOOM IN
CLOSELY.**

Dolphins in red, green or blue? Why not! It's all about imagination with Stylemaker®. Motifs are worked on in full-screen mode – and optimised step-by-step with any nuances. 3D effects help with the design and also give clients a great sense of satisfaction. "That looks really great! Let's do that!"

3

**REALLY EASY TO ORDER –
THE DELIVERY COMES IN A
COMPLETE, READY-TO-IN-
STALL PACKAGE.**

The Stylemaker® calculates costs and supply quantities for granules and polyurethane containers. The whole package is ordered directly in the app – then the finished, ready-to-install floor motif is delivered. Place it, attach the background, and that's all.

Bring the fun to the floor.

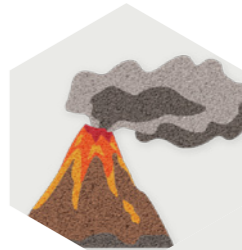

STYLEMAKER® ORIGINAL 2D

Stylemaker® raises the creative design of individual floor images to a new level.

Simply select your motif, adjust the sizes and colours, then order straight away. You receive a finished floor image, ready-to-install in the intended area. It couldn't be easier. You only need to lay it out tidily and fill it in – that's it! Now you can bring entire themed worlds to your floor. Your customers will be amazed!

Whether underwater worlds, bobby car racetracks, floor games or futuristic designs – create top-class fall-protection surface areas that everyone will love with Stylemaker®.

**INNOVATIVE TECHNOLOGIES:
THIS IS HOW MELOS CREATES THE STYLEMAKER®
FLOOR IMAGES**

Melos relies on a high-performance waterjet process with the individual floor image elements precisely cut out from EPDM plates.

Individual motifs as a floor image.

STYLEMAKER® INDIVIDUAL

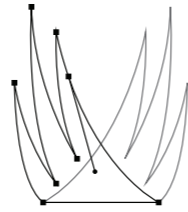

Design your own new floor image: A one-of-a-kind design! Stylemaker® makes it possible.

With Stylemaker® Individual, you can make the entrance area of your club premises stand out, or give the showroom of your company a unique flair! An ingenious solution for companies and sports clubs, schools and daycare centres, or your own garden at home. This time, you can be creative and we serve as your creative assistant: Send us your desired motif through the integrated upload function on the melos.stylemaker.app.

We are always pleased to receive professional files, but we also process hand-drawn sketches and are happy to advise you.

STYLEMAKER® FLOOR GAMES

Play is fun and healthy – and Stylemaker® floor games provide exciting challenges for body and spirit!

Be it for school playgrounds, kindergartens or play areas, old people's homes, hospitals or shopping malls, there is a great choice of exercise, reaction or learning games. These include "Long Jump" for animal fans or "Jump 'n Count" for maths wizards and anyone who wants to become one. And the ever-popular "Twister" – a game that calls for "rubber legs" – can also be realised.

Beautiful colour gradients for sports and leisure floorings.

STYLEMAKER® COLOUR FLOW

It has never been that easy: Create colour gradients with Melos EPDM granules for sports and leisure floorings. With Stylemaker® Colour Flow gentle colour transitions are achieved in no time at all. A design that was only possible with much effort – until now! Create an individual Colour Flow for entrance areas, stadium paths or the club grounds.

Your ideas are the benchmark! Whether it's a smooth transition from the garden gate to the front door or the player tunnel from the cabin to the lawn, Melos delivers the granules for your Colour Flow ready-mixed to the construction site. Try it out!
